SAFETY ALERT

The Emergency Management Incident Response **PROHIBITS** social gatherings effective immediately to stop the spread and threat of COVID-19 virus.

We understand that our students have achieved a milestone in their education such as high school/college graduation or transitions to elementary, middle school or high school and we are proud of their achievements during this unprecedented, extraordinary and challenging time.

We want to ensure that all mitigation efforts are maintained and practiced through social distancing and by staying at home for the safety, health and welfare of our Zuni community students and their families. We are all in this together.

Thank you for your cooperation and understanding.
