

PUBLIC NOTICE TO THE ZUNI COMMUNITY

The Pueblo of Zuni purchased a limited supply of firewood to provide the community during this public health emergency. The firewood assistance is available for those households **who are currently under quarantine or elders in dire need** of this resource to keep warm and healthy during the winter months.

Please call the POZ COVID-19 Call Center at **782-7114** and they will conduct a short assessment. Priority will be given to those who are under quarantine due to positive COVID household, and elderly community members that have limited means to get firewood during this time.

Based on the assessment, if you are approved for assistance, the COVID Call Center staff will contact the requestor for pick up or delivery. Requestor **MUST** be present at delivery and show valid ID and **MUST** sign for the delivery.

Delivery will be on a limited basis and may take longer than pickup. We request for your patience. Thank you and stay safe.

Location for the pickup is the BIA Fire Management yard at 54 Route 301 North – area west of the building.
